OVERVIEW

The City of Crestview is seeking to contract with a Photographer or Photography studio to provide services for the various sports teams with the City of Crestview as well as other events or general photography work as needed.

There are multiple sporting events in the City of Crestview Community Recreation and Enrichment Services department, as well as other events within the City of Crestview that on occasion require Professional Photography Services.

The City of Crestview seeks the assistance of an experienced company or individual that can accomplish all the functionality identified in this RFP with the flexibility of providing this functionality over time, if needed due to budgetary constraints. The City is looking for a Company or individual that has the capability of working with various departments of the City with unique requests and unique time frames. The firm with the successful proposal will be required to supply the City with copies of current liability insurance and Workmen's compensation coverage, as well as comply with all contract standards as outlined in the City of Crestview purchasing manual and all Florida State Statute requirements.

The City reserves the right to reject any one or all bids, or any part of any bid, to waive any informality in any bid, and to award a contract deemed to be in the best interests of the City

BACKGROUND

The City of Crestview has a population of approximately 25,000. It is located in Okaloosa County in the Panhandle of Florida. The City has approximately 240 full time employees and 5 Part time employees.

The City of Crestview has determined that entering into a continuing contract for photography services is consistent with the purchasing policy and will serve to provide a higher quality experience for recreation program participants. This action will further provide for a standardized and efficient method to obtain professional photography services for media projects moving forward.

The City of Crestview will evaluate vendor experience, qualifications and capabilities for providing various photography services to the City. The desired qualifications are outlined below. Responders are required to submit a written narrative corresponding to each of the underlined section items:
