**5. Action Items**

5.1. Equipment Lease Agreement

City Manager Jessica Leavins informed the board that, due to the growth in revenue, the golf course is looking to lease tractors from John Deere to maintain the grass on the course. Several of the golf course’s existing mowers have reached the end of their useful life and require frequent repairs, resulting in increased maintenance costs and operational inefficiencies. Continued reliance on aging equipment poses a risk of service interruptions and may negatively impact course conditions. The proposed five-year lease covers four mowers and carries an APR of 5.7%. This will allow Blackwater Golf Course to replace aging equipment with reliable, modern units while avoiding the upfront capital costs associated with purchasing new equipment. Leasing will provide predictable annual expenses, reduce repair and maintenance risks, and help ensure consistent course maintenance and operational efficiency.

Chair Mayor Pro Tem Capps called for action to approve the Mayor signing the lease.

Motion by Councilmember Allison and seconded by Councilmember Echols to approve the Mayor signing the lease.

---

TO: Mayor and City Council  
CC: City Manager, City Clerk, Staff and Attorney  
FROM: Jessica Leavins, City Manager  
DATE: 05/07/2026  
SUBJECT: Golf & Utility Cart Leases

---

**BACKGROUND:**

Crestview Unlimited, Inc. operates the golf course under the name "Blackwater Golf Club" and is currently managed by GreatLIFE GOLF. The current golf cart fleet was purchased by the City of Crestview and leased to Crestview Unlimited, Inc. (Blackwater Golf Club) in March of Fiscal Year 2022. The fleet is now nearing the end of its useful life and has begun to incur increasing maintenance and repair costs, impacting reliability and operational efficiency.

**DISCUSSION:**

GreatLIFE GOLF is proposing a new lease with Yamaha for sixty-six (66) new golf carts at \$72.70 per unit, with a total monthly payment of \$4,798.20 and two (2) utility carts at \$179.75 per unit, with a monthly payment of \$359.50. Both agreements are for a term of sixty (60) months. The leases provide the golf course with updated equipment while spreading the cost over time, allowing for predictable budgeting and continued service operations.

As part of this transaction, Yamaha will purchase the City's current fleet for \$111,000.00 (\$1,850 x 60 units). The remaining balance on the existing cart lease is \$100,343.24, resulting in an excess of \$10,656.76 over the payoff amount. A check in the full amount of \$111,000.00 will be issued to the City of Crestview and applied toward the outstanding lease balance for Crestview Unlimited, Inc. as well as prior-year purchases covered on their behalf.

**GOALS & OBJECTIVES**

The monthly cost for the golf cart lease is \$4,798.20, and the monthly cost for the utility cart lease is \$359.50, and are already provided for in Crestview Unlimited's FY2026 budget, amended January 12, 2026. The remaining lease term will be incorporated into the Crestview Unlimited, Inc's budget for the future term of the lease.
